Hi Mish,

We had a fantastic wedding, everything was perfect. We had so many compliments about you.

We can't thank you enough for your performance and your support during the lead up to our special day.

We would like to thank you for providing such a professional level of entertainment for our special day. We decided to have a five piece band for the reception and also a two piece acoustic performance during our ceremony and over canapés. From the moment Mish and Peron played the beautifully gentle acoustic music as we walked down the aisle, to keeping everyone entertained through our canapés as we had our photos taken. Then all the way through until the very last song with the band. You provided such a diverse range of entertainment, helping some of us shed a tear or two but also making sure nobody could resist getting up and doing their best on the dance floor for a few hours. We've had so many positive comments towards your band from our guests, we, along with everyone else, had a fantastic night and you were all a big part of it. Thank you!

***Siegfred & Laura***

Hi Mish,

You guys were absolutely amazing. Everyone is still telling me how good you guys were, the whole night was just awesome.

Thank you heaps for making our night special, we couldn't thank you enough.

Hope you guys are good, and I hope we get to watch you guys perform one day in one of our friend's weddings. Fred x

***Stacey & David***

Your band is a fun and energetic band that met the party needs of our guests perfectly. Covering a range of styles and genres, including funk, rock and roll, pop and party favourites, they kept our family and friends dancing well into the night.

We couldn't speak more highly of Mish, who treated us with nothing but professionalism and respect leading up to the wedding day. We didn't have to worry about a thing. She listened to our thoughts, offered some suggestions and tailored a night that left our guests begging for more.

We would highly recommend Mish as a wedding or corporate band and trust that they will deliver the highest quality entertainment to suit your party needs.

Thanks again Mish!

David and Stacey

***Kristen & Brad***

We greatly appreciated the outstanding performance by Mish and her band at our wedding reception. We were beyond thrilled and your group far exceeded all our hopes. You were an absolute delight to work with in the lead up to the wedding and guided me through the process with the upmost professionalism and friendliness. On the night, you had everyone up dancing for the entire night to a great selection of songs for young and old.

So many guests have commented about how much they loved the band and my cousin, who is getting married next year, has asked me for your details so they can book you! Please pass along our most sincere gratitude to your band. We will certainly recommend your group every chance we get. Thanks again for everything!

Kristen & Brad

***Lisa & Ben***

Hi Mish,

Just wanted to send you a quick note to say thank you so much for everything you guys did at our wedding. You are all seriously fantastic. Everyone has commented on how great you guys were.

The day flew for me and there were only a few times I was able to sit back and listen to you guys. Your versions of our bridal waltz were amazing, I hope they come out on the video for us to listen to again, I just loved them.

So thanks to you, and the rest of the guys for making our "big day" so amazing. I hope to have the opportunity to book you guys again one day.

Take care, Lisa & Ben xoxo

***Quyen & Hiep***

We could not have been happier with the performance and professionalism of the entire band. Mish, in particular was extremely helpful throughout the entire process and was even willing to learn the song to our ceremony and for our wedding dance.

On the night, you easily had the whole crowd up and dancing and it so great to see all our guests enjoy themselves.

Signed, Sealed Delivered was the PERFECT choice to perform at our wedding reception and we would have no hesitation in recommending them to other couples looking for a wedding band.

***Stephanie Lazar:***

***Nat & Luca***

Hi Mish,

Luca and I would like to say a big thank you to you and the band. You guys were fantastic!!

We have had many compliments about the music. It was so nice to see so many people get up and dance.

Thank you again for the songs that you learnt for us - I think the song 'i gotta feeling' is definitely one to add to your song list - everybody loved it!!!

Thanks again, Nat & Luca

***Anne-Marie and John:***

Mish was very friendly and approachable when I needed assistance to plan ceremony songs.

The Duo sounded perfect during our church ceremony. With vocals and guitar, the atmosphere in the church was really just beautiful.

Her band kept the dance floor full all night. They played the classics and mixed in plenty of new stuff also. This kept all of our guests, both young and older, out of their seats. They kept touching base with my husband and I from pre-function through to the end to make sure we were happy throughout their performance.

Thank you for making our wedding day even more memorable and entertaining.

Kind Regards,

Anne-Maree

***Bron & Jeremy:***

Hi Mish,

A quick note to say a huge thank you to you for performance at our wedding, you were all fabulous and we've already received so many compliments on our choice of band and your fabulous voices.

We couldn't have had a better night, our highlight was definitely our first dance, you did a brilliant job on that.

Thanks again! Bron & Jeremy

***Sarah & David***

Thankyou Mish, a massive thanks for yesterday and last night. You were all amazing and your singing in the church was out of this world. Everyone was commenting on how amazing you and the band were! xxxxxxxx Thanks again!

***Guilia & Mark***

Hi Mish,

I hope your well.

Just wanted to say a really big thank you to you and your band for such a great night, at our Wedding. We have had so many people coming up and telling us they really enjoyed the band and the music!

Your cover of Blurred Lines was awesome as well! Thanks so much!

***Eva Baker***

Mish Fornito and her band played at our wedding at the Melbourne Museum and were an absolute hit! We have had so many family and friends give us feedback that they LOVED the band and were so impressed with the talented band members. The band were extremely professional, looked wonderful on the night and were just a dream to deal with. Mish did an acoustic set during our photo hour for guests (so sadly we didn't get to hear it!) but we have been told by our guests that it was fantastic. And later during the reception we were so pleased to see so many of our guests up and dancing - even my 85 year old grandma! It was such a fun evening. There were quite a few items to organise in the lead up to the day as well and Mish was wonderful at getting back to us quickly and helping / guiding us through the process. I would not hesitate in recommending Mish and her band, they were a HUGE help to us on the night, great performers, and fantastic people to work with.

***Rina Busuttil***
